

Congratulations! You have purchased a new rug and everybody wants to keep the rug looking like new for as long as possible. Here is the solution. Now is the perfect time to apply **Armour Rug Protection**. This fantastic product is applied to the rug immediately after purchase. It is designed to repel water based and oil based stains. It does provide a protective coating over the outside of the fibre creating an invisible shield of protection, therefore minimising the likelihood of the stain causing permanent damage.

**When your rug is protected with
ARMOUR RUG PROTECTION you will notice
these benefits:**

Your rug will stay cleaner for longer.
Vacuuming will become more efficient.
You will be able to treat stains easily.
Combined with our recommended spot
and stain remover product you are sure to
be able to remove most household stains*
When your rug is professionally cleaned
you will see the benefits of using ARMOUR
RUG PROTECTION.
The product lasts for up to 3 years or the
first clean.

- * We recommend you use a professional rug cleaning company to clean your rug.
- * Professional cleaning is recommended every 12mths – 36mths, depending on the foot traffic.
- * Some acid based and dye stains are not guaranteed to be removed.
- * Always treat stains immediately, do not rub or scrub at a stain. Blot gently at the area.
